

Effective July 1st, 2014: BUDERUS Tank Warranty, excludes SST Model

- **The following shall be requested with each Buderus tank warranty claim for products older than 6 years from date of installation*:**
 - Copy of the original invoice, proof of purchase, or documentation showing original ownership (warranty is non-transferrable)
 - Photographic documentation showing:
 - Anode Rod Condition
 - Rating Label
 - Heat Exchanger Coil (for SU, ST, LT, SM model tanks)
 - DHW Connection (for leaking connection claims)

No photos are required for tanks less than 6 years old from date of installation*

**If proof of installation cannot be provided, age of tank begins at manufacturing date*
